Kiyalam

KiyaLam offers a premium selection of thin-grade laminates designed for modern interiors. We prioritize affordability without sacrificing quality, ensuring you get world-class designs at a competitive price. Our laminates focus on durability, timeless elegance, and a diverse range of options to elevate your home or office space.

R3

From the Creator's Desk

Our new "ETERNITY COLLECTION" provides a stage for the expression through a harmonious dialogue between the romantic and the bohemian, using contemporary designs, but inspiring. A demanding design of detail and refinement of all compositional elements of the collection, emphasising colours, decor grains, fullness and emptiness, and highlighting, in essence, all those sensations transmitted by the materials of the finishes.

Design is something that has always been part of our lives, wherever we are. If you think about it, everything around us has been created using decor & design.

Colours, textures and decors aim to harmonise the elements and create a pleasant and functional atmosphere that reflects the personality and needs of the users.

At Kiyalam, we have an enormous responsibility to be part of a process that aims to rethink the existing designs and textures we already use to make laminates, reworking them in innovative ways.

Our new "ETERNITY COLLECTION" will mark the future of the laminate industry for it to be realigned towards adaptability, recombination, continuity, ease of use of materials.

"ETERNITY COLLECTION" is all about balance. Finally, one of the most important elements for every inch of design is balance. It's all about balancing the focal points of decor and texture, making sure both don't overpower each other.

EDGE BAND

Edgebanding in laminates is like adding a stylish frame to a masterpiece, enhancing both the visual appeal and durability of the surface. It's a creative touch that not only protects edges from wear and tear but also elevates the overall aesthetic charm of the laminate surface.

Technical Specification

PROPERTIES	SPECIFIED VALUES AS PER IS:2046-1995	KIYALAM CONFIRMES	PROPERTIES	SPECIFIED VALUES AS PER IS:2046-1995	KIYALAM CONFIRMES
Thickness	1.0 mm (±5%)	✓	Resistance to impact by small diameter ball	17.5N Min.	✓
Resistance to surface wear	>200 (revolution)	✓	Resistance to cracking	Not worse than 4	✓
Resistance to immersion in boiling water - Mass increase (%) - Thickness increase (%)	8 Max 10 Max	✓	Resistance to scratching	2N Min.	✓
Resistance to dry heat 180° C	Not worse than 4	✓	Resistance to Staining	Not worse than 5	✓
Dimensional stability at deviated temprature - Longitudinal (%) - Transverse (%)	0.5 Max. 0.9 Max.	✓	Resistance to colour change (wool standards) - In Xenon arc light - In enclosed carbon arc light	Not worse than 4 Not worse than 5	✓
Resistance to cigarette burns			Resistance to steam	Not worse than 3	✓
Dimensional stability at 20° C - Longitudinal (%) - Transverse (%)	0.375 Max. 0.60 Max.	✓	Appearance	Not worse than 4 Should be free from foreign particles	✓

This product technical sheets gives technical relevant to the performance of the product as tested by the company. Company reserves the right to change Product composition & characterstics at any time.

Product Specifications

Product: Paper Based Decorative Laminate Sheets

Size: 2440 x 1220 mm

Thickness: 1.00 mm (± 0.1 mm)

Finish: Gloss, SF and World Class Textures

Care & Maintenance : Cleaning should be carried out with a soft moist cloth & warm soap solution.

Do not use detergents containing abrasive particle or excess soda.

Highlight:

- Design made from genuine imported base paper.
- Manufactured using best quality kraft paper.
- Use of best chemical raw materials for better flexibility & durability.

Disclaimer: Customers are advised to reconfirm selected laminate when placing orders as our liability does not include claims arising from sample chip pasting error. Samples presented are indicative of color, pattern and surface finish but not of actual thicknesses. All metallic patterns series recommended for vertical application only. All products from Super Hylam Private Limited are free from manufacturing defects and fit for use under normal conditions, however the product will normally deviate from manufacturing related specification. Limited warranty shall be limited only to the original buyer. It is recommended that the products must be inspected prior to installation and our liability will be limited to the extent of the cost of the products only. Our products are used for various applications without the possibility of control over the manufacturing of the finished products. The company does not assume obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product, to any person or entity. Company shall not be liable for any damages due
